Our Training Programmes

Place for Hope offer a range of Training Programmes delivered by our Practitioners for your group or community. These programmes can be offered as a taster session, half or full day workshop.

Growing Through Change and Conflict: Foundation

An introduction to the dynamics of conflict in ourselves and in faith communities. We look at how to engage constructively with disagreement in groups and meetings, and how to 'lower' the level of conflict.

Scripture, Spirituality and Conflict

Using small group work, we weave stories of biblical insight with lived experience in this workshop for faith leaders.

Growing Through Change and Conflict: Further Skills

Participants will practice skills learned on the Foundation course: rapport building; opening up difficult conversations; coming to decisions in good and helpful ways.

Bullying and Harassment

This workshop guides participants through the dynamics of bullying and harassment and equips them with constructive ways to respond.

New programmes for 2020

Meeting Well

A programme exploring how we can make our meetings more productive, effective and inclusive.

Leading through Transitions

A workshop to explore the dynamics of change and transition in our churches, giving leaders the confidence and the toolkit to lead.

We can also tailor training to suit the needs of the group.
