***Growing through Conflict – Further skills day. Open to everyone who has attended the Growing through Conflict Foundation Day**

Growing through Conflict: Foundation Day and Further Skills Day

Our churches face change, encounter difference and can struggle to manage conflict. We know conflict can be both creative and destructive.

Place for Hope is offering:

- a one-day **foundation course** in recognising and responding to conflict for those in leadership roles in our churches, and
- a **further skills day** for individuals keen to develop these skills

Foundation Day

What will the day include?

- 1. Understanding conflict:** We will share what we mean by conflict, and how it 'looks' in our churches; we will also begin to explore our different approaches to conflict, and how we respond.
- 2. Conflict transformation skills:** Working with real life scenarios, we will explore skills like: how to work constructively with disagreements in groups and meetings; how to 'lower' the level of conflict; making good decisions in groups.
- 3. Further resources:** We will offer ideas and pointers for further training, including information about courses, and local/national resources.

Further Skills Day

What will the day include?

The aim of this day is to practise skills in conflict transformation in the context of church leadership. The kinds of skills we'll cover will include:

- Opening up difficult conversations, and seeing wider perspectives
- Coming to decisions in good and helpful ways

Who is it for?

The Foundation Day is intended for all in leadership in our churches for example: clergy, elders, deacons, readers, OLMs, youth leaders, mission leaders, licensed or commissioned lay leaders.

The Further Skills day is designed for those who have already taken part in the Foundation Day.

How much will it cost?

£45 (waged) £35 (unwaged). Financial support may be available through your denomination. Please don't let finance determine your participation – contact us for ideas.
